

SXS520

Pioneer 520

Powerful, Compact and Versatile Side x Side Utility Vehicle with Two Seats, Tilt bed and TRAXLOK® 2WD/4WD

Powerful and efficient

The 518cc fuel-injected engine is designed to offer low to mid-range power and torque, and coupled with an efficient five-speed automatic transmission it's perfect for getting up steep hills, over tricky terrain and towing heavy loads.

Automatic or Manual

You can let the Honda Pioneer 520's 5-speed automatic transmission shift for you, or you can still shift yourself with its paddle shifters without the need to take your hands from the steering wheel.

Roll Cage

Providing protection from trail branches as well as tip overs for both driver and passengers.

Tilt Cargo Bed

Unload the cargo bed with ease, even with just one person, thanks to its hydraulic assist strut and fold-flat tailgate. The bed is fitted with D rings to secure loads and a slot to place your own divider if you want to separate a load.

Go Further

An efficient electronic fuel injection system with a 15 litre fuel tank keeps you out and about for longer.

Heavy Loads

Built to work with a 204kg cargo bed capacity and a 454kg towing capacity.

Fenders

Keep the mud and water spray away for extra comfort and protection.

Room for Two

Plenty of space for 2 people with a handy and comfortable bench seat for long days out in the field.

Tight turns

Manoeuvre in small spaces with a turning radius of just 3.9m.

Independent Rear Suspension (IRS)

Independent double-wishbone rear suspension with 150mm travel and adjustable preload to stiffen the suspension when towing or carrying heavy loads.

Hydraulic disc brakes

Powerful stopping power in all conditions with large diameter dual front, and rear hydraulic disc brakes.

Double-wishbone front suspension

Independent double-wishbone front suspension with 147mm travel ensures superior handling in rough terrain with complete control.

TRAXLOK® 2WD/4WD

Our rock-solid system lets you choose either 2WD or 4WD – giving you the freedom to choose between lighter steering (in 2WD) and maximising available traction (in 4WD) when you need it most.

Ground Clearance

216mm of ground clearance means you can tackle some pretty rough terrains and conditions with ease.

Honda's new Pioneer® 520 is the perfect choice for thousands of owners.

Why? First of all, its compact size makes it incredibly versatile. At just 1.27m wide, it lets you and a passenger squeeze down tracks where other side-by-sides can't. Featuring a strut-assist tilt cargo bed, powerful 518cc engine, selectable two or four-wheel drive and smooth gear shifting, the Pioneer 520 is versatile enough to perform for farmers, game keepers and & utilities alike. It's a great all-rounder.
